UTTARA AHOBILAM PROJECT

Help build "Uttara Ahobilam" at Naimisharanyam
and receive the blessings of Sri Lakshmi Narasimhan

NAIMISHARANYAM

A Divya Desam beyond compare

Among the 108 Sri Vaishnava Divya Desams, “Sri Naimisharanyam” is an important Divya Desam, wherein Lord Sriman Narayana is residing in the form of Aranya (forest). One of the reasons why this kshetram is revered by all is that this was the place where all the Maharishis and sages used to meet and perform yagnas. Even Lord Rama performed the Ashwametha Yagna here. This kshetram is the birth place of all Puranas. In Sri Tirumangai Azhwar’s Mangalasaasanam of the Lord at Sri Nymisaranyam, he sings, “**vandu un tiruvadi adainthen Naimisharanyathulendai**” (I came to surrender to you Oh! Lord of Naimisharanya!). The greatness of the kshetram is augmented by the holy waters of Chakra Teertham and Gomathi river. It is stated in the Puranas that all the holy rivers come to Chakra Teertha during Amavasya and taking a bath at this place is equal to taking a dip in all holy rivers. Srimad Bhagavata Purana Patanam is happening all through the year in this place. Though the Lord is in the form of Aranya here, there are several temples and holy places of various sages in this kshetram which make it an important place of pilgrimage.

His Holiness Devanarvilagam Srimad Azhagiyasingar (the 43rd Jeer) commenced his Vijaya Yatra from the Hills of Ahobilam with a sankalpam to go up to Badrinath and return to Sri Ahobilam to end his Vijaya Yatra. After his Mangalasaanam at Badrinath, His Holiness came to Naimisharanyam in November, 1957. However, as Tirumangai Azhwar sang for this kshetram, the Jeer attained the Lord’s feet at Naimisharanyam due to ill health. His Brindavanam was consecrated by His Holiness Srimad Mukkur Azhagiyasingar (the 44th Jeer). The Ahobila Mutt branch was also set up with a Sannidhi for Lord Lakshmi Narasimha. His Holiness Srimad Villivalam Azhagiyasingar (the 45th Jeer) set up a separate Trust called the “Nymisaranyam Azhagiyasingar Charitable Trust” with an aim to construct a big temple and other facilities for the benefit of pilgrims. As a first step, he renovated the Mutt’s premises in 2001 and celebrated the Centenary of Srimad Devanarvilagam Azhagiyasingar in a grand manner. Since then in the month of November/December - 5 days of Tirunakshatram Utsavam for Srimad Azhagiyasingar is conducted in a grand manner with Veda and Prabhandam Parayanam.

His Holiness Srimad Tirukudandai Azhagiyasingar (the 46th Jeer), visited the place in 2015 and took the sankalpam to accomplish the unfulfilled desire of the previous Azhagiyasingars, by constructing a beautiful Nava Nrusimha Temple at Naimisharanyam and naming it as “Uttara Ahobilam”. His Holiness 46th Srimad Azhagiyasingar has declared the details of “Uttara Ahobilam” Project as stated further.

Uttara Ahobila Project - A Nava Ahobila Kshetram

Temples

The temple block is spread over an area of 12000 square feet measuring 120 X 100 feet. In this block nine temples for the Nava Narasimhas (Jwala, Ahobila, Malola, Kroda, Karancha, Bhargava, Yogananda, Chatravada, Pavana Narasimha murthis) are going to be built in two concentric squares with four temples in each corner and in the center the main temple will be built. In the nine temples the Nava Nrusimha Murthis are going to be installed. The temple is going to be built in pink sand stone with lots of carvings with state of the art design. On the inside of the compound wall there are going to be carvings of Narasimha Avatar, Sri Adivan Satakopar story, Sri Devanarvilagam Azhagiyasingar's story and pictures of alvars and acharyas. On the temple wall there will be images of all 46 Azhagiyasingars. The temple block is self-contained with temple kitchen and temple stores. There is a Rajagopuram in the front. The Temple carvings are going to be similar to the carvings in Ahobila temple.
